Each year the Rising Sun 4WD Club of Colorado holds Cruise Moab in the off-roader's paradise of Moab, Utah. It has become known as the largest gathering of Toyota Land Cruiser and Toyota 4x4 enthusiasts in the country. Attendees come each year from all over the world to not only four-wheel on the many trails in the Moab area, but also to hang-out, relax and sit around a campfire with like-minded members of the Toyota 4x4 community. The three day event features guided trail runs, a popular vendor night, and the famous friday night raffle and award dinner.

Those who want to extend their Cruise Moab experience have a choice of two overnight trail runs this year, including the San Rafael Swell where last year participants even dragged a full bar and stage along with them on the trail. (Check it out below)
