Bruce Dorn thinks there's a great filmmaker lurking deep inside each and every one of us—if you're looking to exploit that inner Scorcese (or *Dorn*) on your next adventure, consider tuning into the new Western Digital web series,

Follow the Adventure

. The first episode of the multi-part series was just launched moments ago and is the introduction to an action-packed series that shadows Bruce's various adventures around the globe!

For more information on Western Digital Creative Master and Canon Explorer of Light, Bruce Dorn, visit his website here. [link]
